

# EC Declaration of Conformity

We hereby declare that the following complies with the essential health & safety requirements of the Machinery Directive 2006/42/EC, the Low Voltage Directive 2014/35/EU, the Product Safety Directive 2001/95/EC and the Electromagnetic Compatibility 2014/30/EU.

**Machine Description:**      **Induction Sealing Machine**  
**Machine Type:**            **ICS-800 SmartSeal**

Manufactured by Relco UK LTD (the “Company”)

Within the context of its intended installation, this equipment has been designed and manufactured by the Company using, inter alia, the following transposed harmonised European standards:

- EN ISO12100-1:2010 Safety of Machinery – General principles for design – Risk assessment and risk reduction
- EN60204-1:2006 Safety of Machinery– Electrical equipment of machines (general requirements)
- EN ISO13857:2008 Safety of Machinery – Safety distances: danger zones being reached by upper limbs.
- EN349:1993(+A1 2008) Safety of Machinery – Minimum gaps to avoid crushing parts of the human body.
- EN ISO13849-1:2015 Safety of Machinery–Safety related parts of control systems–Part 1: General principles for design
- EN ISO13850:2015 Safety of Machinery – Emergency stop. Principles for design

In addition, this machinery has been designed and manufactured in accordance with:

- PD 5304:2014: Guidance on safe use of machinery
- ANSI/PMMI B155.1-2016: safety standard for packaging and packaging related converting machinery.
- EC directive 2011/65/EU – RoHS 3 restriction of hazardous substances

A technical construction and testing file for this machinery is retained and is available for inspection at the Company’s premises.

EC Document issued by Relco Technology s.r.o. Komenskeho 1083/21, Turany, 038 53, Slovak Republic.

The equipment covered by this certificate was tested by Relco Technology s.r.o. to certify compliance with CE standards.
