We also confirm that the above-mentioned equipment corresponds to the technical configurations accepted for use with the **FIDS / CMS / RESA-CREWS** system, as follows:

- **Mini PC model RESA Vista Box** – compatible for use within the FIDS / CMS system;
- **FIDS Monitor 43"**, model **LG 43UH5Q** – compatible for displaying FIDS information;
- **FIDS Monitor 55"**, model **LG 55UH5Q** – compatible for displaying FIDS information;
- **Boarding Pass Printer, model Custom TK180M/CRW-RFW** – certified for RESA/CREWS, including CREWS firmware, with support for roll paper and connection cables;
- **DCP Printer, model Dascom 1140 / CRW-CFG** – certified for RESA/CREWS, with support for roll paper and USB cable;
- **MSR/OCR Keyboard, model NEPTUNC/CRW-CFG** – certified for RESA/CREWS, with USB connection.

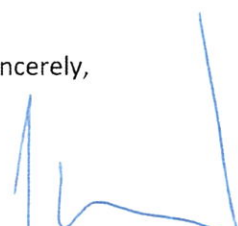

This declaration confirms that the offered goods may be used within the FIDS / CMS / RESA-CREWS system without affecting the core functionality of the system, provided that they are installed, configured, and operated in accordance with the technical documentation and applicable procedures.

At the same time, we confirm that **Î.C.S. "RELIABLE SOLUTIONS DISTRIBUTOR" S.R.L.** is authorized to supply, install, configure, and provide technical support for the goods mentioned within this procurement procedure.

This declaration is issued to be presented within the above-mentioned public procurement procedure and confirms the official compatibility of the offered goods with the **FIDS / CMS / RESA-CREWS** system used by the Beneficiary.
