CERTIFICATE OF CONFORMITY

This is to certify that the

Water purification system "Crystal EX"

manufactured by

"ADRONA" SIA, Kalnciema 209, LV-1046, Riga, Latvia

was tested and verified to be in conformance with all applicable quality requirements, including specifications, drawings, calibration, preservation, packing, marking requirements and part identification.

This SIA "Adrona" product conforms to the regulations stipulated in the CE Marking requirements for the European Council directives:

**The Low Voltage Directive 2006/95/EC,
The Electromagnetic Compatibility Directive 2004/108/EC.**

Standards to which conformity is declared as applicable are the following:

EN 61326-1:2006, Electrical equipment for measurement, control and laboratory use. EMC requirements. General Requirements.

EN 61010-1:2001, Safety Requirements for Electrical Equipment for Laboratory Use.

The integrity of the "Adrona" SIA Quality Management System is routinely audited, has been certified to the ISO9001 Quality System Standards since 2006 and certification continues in good standing.

Riga, 05.04.2021

Evija Kostjukova
Quality Manager
