## Präzisa scalpels, disposable

from Dahlhausen - precision for your needs

Discover our selection of disposable scalpels in various shapes.

Our scalpel blades are made from high-quality stainless steel and are securely attached to the plastic handle. The different blade shapes allow them to be used as required in various medical specialities.

These sterile scalpels are indispensable instruments for surgical interventions and other minor procedures. They guarantee precise cuts and the highest standards of hygiene in every situation.

**Sterile:**

Yes

**Country availability:**

Please note: Not all products are available in all countries. Feel free to contact our international sales team about any questions relating to our sales and services.
