**Satisfactory Letter of GCgi PGPP2 Backup transformer project under
Purchase order No.1331000008**

To : Siemens Transformer (Wuhan) Co., Ltd.

This letter shall serve as GCgi's performance feedback on the transformer supplied by Siemens Transformer (Wuhan) Co., Ltd.

The supplied one unit transformer rating 47.5MVA (ONAN)/60MVA (ONAF), 138kV was installed March, 2015 and passed site acceptance tests successfully. It has been running steadily with high performance. We deem supplier's compliance to the required specification of GCgi as satisfactory.
