To whom it may concern,

We, Edel Grass Int. Genemuiden the Netherlands, producers of high quality synthetic turf, hereby confirm that our high valued client, Geothermal-AV Dimo street 22/13, 2003 Durl esti Moldova, is our official distributor for the territory of Moldova.

Edel Grass and Geothermal-AV have business relations since the year 2010, and the latter has represented our company in a very professional way.

Their product knowledge in all sports-disciplines like tennis, (mini)-soccer, multi-sport etc., their skills of installation and grade of service to the market is of such high level.

We can recommend Geothermal-AV to be your right partner for any synthetic turf installations!

Sincerely yours

Edel Grass B.V.
