HP Color LaserJet Enterprise M553 series

Fast speeds. Brilliant colour.

Speed and colour are the perfect pair for your business. That's why this energy-efficient printer and Original HP Toner cartridges with JetIntelligence combine to produce vibrant, professional-quality documents right when employees need them.

- Print from sleep mode in as fast as 9 seconds. 1 Get two-sided prints as quickly as one up to 40 ipm.
- This printer uses exceptionally low amounts of energy thanks to smart media-sensing and toner technology.
- Equip employees to fly through tasks with the adjustable 10.9 cm (4.3-inch) colour touchscreen.
- Consistently print high-quality documents across a variety of media including A5 with automatic media sensing.

Keep your printer fleet simple, protected and streamlined.

- Centralise control of your print environment with HP Web Jetadmin⁴ and help build
- Protect sensitive data with embedded or optional features, including HP JetAdvantage Security Solutions. 5
- Easily develop, deploy and add on HP and third-party solutions. Choose the optional 1 GB memory upgrade.⁶

Print whenever business demands.

- Enable wireless direct printing in the office from mobile devices without accessing the
- Print with just a touch of your NFC-enabled mobile device to this printer no network needed.8
- Easily print from a variety of smartphones and tablets generally no setup or apps required.9

Get more pages, performance and protection.

- Original HP Toner cartridges with JetIntelligence deliver more pages per cartridge than
- Count on professional quality at fast speeds HP ColorSphere 3 toner works best with your HP printer.
- Help ensure the authentic HP quality you paid for with anti-fraud and cartridge authentication technology.
- Print right away with preinstalled cartridges. Replace them with optional high-yield cartridges.

Product walkaround

HP Color LaserJet Enterprise M553x shown:

- 1. Intuitive 10.9 cm (4.3-inch) colour VGA control panel tilts up for easier viewing
- 2. Home button (returns to home screen)
- 3. Hardware Integration Pocket (HIP) for solution integration
- 4. Easy-access USB port to print files directly
- 5. Right door (access to fuser and paper path)
- 6. Convenient front on/off switch
- 7. 100-sheet multipurpose tray
- 8. Front door access to Original HP Toner cartridges with JetIntelligence
- 9. Lower-right door (to access paper path)
- 10. Two 550-sheet input trays for a 1,200 sheet total input capacity
- 11. 250-sheet output bin
- 12. Built-in wireless direct/NFC touch-to-print
- 13. Built-in automatic two-sided printing
- 14. 1 GB memory and a 1.2 GHz processor
- 15. Access port for optional Kensington-style lock
- 16. HP Jetdirect Gigabit Ethernet embedded print server
- 17. Hi-Speed USB 2.0 printing port
- 18. Hi-Speed USB 2.0 port (for connecting third-party devices)

Warranty	One-year, next-business day, onsite warranty. Warranty and support options vary by product, country and local legal requirements. Go to http://www.hp.com/support to learn about HP award winning service and support options in your region.		

Footnotes

- 1 Measured using ISO/IEC 17629. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- ²Printing speed measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- ³Based on HP testing using the ENERGY STAR® program's Typical Electricity Consumption (TEC) method or as reported in energystar.gov vs. competitive single-function colour laser printers with print speeds between 31 and 44 pages per minute (ppm) as of November 2014. Actual results may vary.
- 4 Universal device plug-in is offered with HP Web Jetadmin 10.3 SR4 and higher. HP Web Jetadmin is free and available for download at http://www.hp.com/go/webjetadmin.
- ⁵Some solutions require download or additional purchase. Learn more at http://www.hp.com/go/printingsolutions.
- ⁶Solutions deployed through the Hardware Integration Pocket (HIP) may require additional purchase.
- Available only in selected European countries. Standard only on the HP LaserJet Enterprise M553x. Feature is available at no charge and requires the printer be connected to the Internet with web services enabled. For more information, see http://www.hpjetadvantage.com.
- ⁸ Touch-to-print capability is standard on the HP LaserJet Enterprise M553x only. Mobile device must support near-field communications (NFC)-enabled printing. For more information, see http://www.hp.com/go/mobileprinting.

 ⁹ Local printing requires mobile device and printer to be on the same network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP Web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See http://www.hp.com/go/mobileprinting for more details. Some features require purchase of an optional accessory.
- ¹⁰ More pages vs. predecessor cartridges claim based on page yield comparison of HP 507A/X LaserJet Black Toner Cartridges to HP 508A/X LaserJet Black Toner Cartridges, and HP 507X LaserJet Cyan, Magenta and Yellow Toner Cartridges to HP 508X LaserJet Toner Cartridges. For more information, see http://www.hp.com/go/learnaboutsupplies.
- ¹¹ High-yield Original HP 508X LaserJet Toner cartridges not included; please purchase separately.
- 12 An FCC Class A emissions compliant device meets the less stringent (higher) levels of emissions allowed by the FCC for a product operation in a commercial environment. An FCC class A device cannot be marketed for use in a residential environment and an FCC class A device should not be purchased for use in a residential environment due to the increased risk of interference to radio communications.

Technical specifications disclaimers

- ¹Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- ²Measured using ISO/IEC 17629. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver and document complexity.
- ³Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Colour LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.
- ⁴HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.
- ⁵May require a firmware upgrade to be compatible, download at http://www.hp.com/go/support.
- 6 Not all compatible Operating Systems are supported with In-Box software. Full solution software available only for Windows 7 and newer. Legacy Windows Operating Systems (XP, Vista and equiviliant servers) get print and scan drivers only. Windows RT OS for tablets (32/64-bit) uses a simplified HP print driver built into the RT OS. UNIX modelscripts are available on http://www.hp.com (modelscripts are printer drivers for UNIX operating systems); Linux systems use in-OS HPLIP software.
- 7 Acoustic values are subject to change. For current information, see http://www.hp.com/support. Configuration tested: base model, simplex printing, A4 paper at an average of 38 ppm.
- ⁸ Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption in Auto-Off mode depends on customer network switch capability, user configuration and network activity. Off-mode power may vary while checking network packets for print jobs.
- 9 Toner cartridge yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images printed, number of colour pages printed and other factors.
