

VEST AND SKIRT MODEL APRON

SERIES 41

Our special Vest and Skirt Model Aprons are designed to maximum protection with comfortable usage and maximize weight distribution between the wearer's shoulders and hips, which helps to significantly eliminate stress on the upper and lower back.

Vest and Skirt Aprons provide greater flexibility and free movement to user with ergonomic design. Special shoulder pads helps to reducing weight on shoulders.

Velcro Closure for perfect fit, Full overlap in front for total protection
