Product Overview   Documents

Provide safe and convenient storage for manual and electronic pipettes using Thermo Scientific™ Finnpipette™ Stands. Available options include options for single stand, F-stand, multi-stand, multichannel and carousel.

Finnpipette F-Stand

- Accommodates six pipettes
- Sturdy crossbar structure with slot for each pipette for secure storage
- Suitable for both single channel and multichannel models

Finnpipette Multichannel Stand

- Multi-position stand
- Can hold any multichannel Finnpipette
- Pipette can be stored in upright or horizontal position
- Small footprint

Finnpipette Carousel Stand

- Rotating, portable
  Transparent lid protects pipettes from contamination

ThermoFisher
SCIENTIFIC

- For convenient storage of electronic Finnpipette Novus pipette
- Accommodates both single and multichannel Finnpipette Novus models with ease
