

EC Declaration of Conformity

We, Jaeger Umwelt-Technik GmbH & Co. KG, herewith declare that the product

JetFlex® tube diffusers, JetFlex® disc diffusers

- is intended for installation in wastewater treatment plants in accordance with the installation instructions contained in the product documentation
- and is in conformity with standards and technical data as specified in the product documentation.
- We certify that the measurement equipment used to check the product is traceable to national standards.

Standards and/or technical specifications referenced below have been applied:

DIN EN ISO 1183-1:2011	Methods for determining the density of non-cellular plastics
DIN 53 504	Determination of tensile strength at break, tensile stress at yield, elongation at break and stress values in a tensile test
DIN ISO 34-1:2004-07	Determination of tear strength
DIN 53 505	Shore A and Shore D hardness test
DIN ISO 2285:2007	Determination of tension set under constant elongation, and of tension set, elongation and creep under constant tensile load
