

## TO WHOM IT MAY CONCERN

### Certification of PRIMAX SOFT X-Ray Protective Clothing under own brand

Výzkumný ústav bezpečnosti práce, v.v.i. as a Notified Body in Czech Republic with number 1024 is authorized as per Czech and EU law to ensure tests, evaluation and issue Certificates confirming that the products and used materials are fulfilling all requirements as per the EU directives applicable for the relevant products group.

In 2017 we carried out certification proces with X-Ray protective clothing under own brand name PRIMAX SOFT.

Summarizing it is confirmed herewith that Primax Berlin GmbH is holding Certificates under own brand for the models shown below which all passed the EC Type Examination as per Standard IEC 61331-3: 2014 and as per Annex II of Directive 89/686/EEC for Personal Protective Equipment.

The valuation also included tests for the covering material of the Primax Soft clothing. Examination of this requirements confirmed full skin agreeableness of the surface covering materials.

Based on those documents Primax Berlin GmbH is authorized to label the below mentioned X-Ray protective products of own brand Primax Soft with the CE mark.

The above summarized statement is confirmed in 13 separate Certificates for each model tested for producer. Those Certificates numbered in row from 235/E-016/2017 to 235/E-028/2017 date 20 January 2017 are made in English language, the models concerned are shown by pictures on the back side of each Certificates (colours are not part of the certificates, sales in any colours of tested materials is allowed).

The following modes were succesfully tested:

1	Protective apron Primax Soft STANDARD	ESC Nr. 235/E-016/2017
