**Confirmation of Yunex Traffic Service Center for Municipality of Chisinau, Moldova**

To Whom it may Concern,

The Yunex Traffic Group of companies has their main service center in Munich, Germany with over 400 staff servicing more than 30.000 intersections across Germany.

Yunex traffic Austria GmbH is also involved in the development of the world product portfolio (e.g., awareAI, C-ITS RSU, tolling OBU). Additionally, Yunex Traffic Austria leads a hub of countries, with own companies in Hungary, Slovakia and Serbia and business responsibility for several countries in eastern Europe.

We operate in 24 countries has have centers of competence for our equipment in these countries as well.

We trust that this is in order.

Yours sincerely,

Frank Hoefner
