Subject: Statement of equipment manufacturer IAI industrial systems B.V.
Your ref: RFI NW-230-23/22/RK Laser engraving device for personalization of passports with polycarbonate datapage
Our ref.: 22028/SA/cd

To whom it may concern,

IAI industrial systems B.V., part of HID Global, certifies that Polish Security Printing Works S.A. (PWPW) is authorized to promote and trade our secure printing portfolio in the Republic of Moldova for the project in reference.

PWPW S.A. has our support to supply the passport printing equipment, more specifically the BookMaster® Desk system according to the specifications of the process.

We certify that the BookMaster® Desk systems offered in this bid are designed and manufactured by IAI industrial systems B.V. and confirm that they are new, built with top quality materials, with no manufacturing defects and do not contain rebuilt or repaired parts.

Sincerely,

For and on behalf of IAI industrial systems B.V.

René Strijbos
Managing Director
