

YKD-9103

FULL HD Endoscope System

Compatible Camera Heads

YKD-9000-04

FEATURES

- Built-in USB full high-definition image storage, Photo capture/Video recording function;
- IPX8 waterproof camera head;
- HD 1080P Video output

STANDARD ACCESSORIES

Video Processor

Camera Head

Coupler

Optic Fiber Cable

Power Cable

Parameter configuration

Product number	YKD-9103
Camera	1/2.8 inch Sony CMOS HD camera
Pixel	2100,000 pixels
Image size(Horizontal×Vertical)	1920×1080
Scanning system	Progressive Scanning
Frame rate	(1920×1080)60p
SNR	50dB,Tolerance 20%
Video output	By "DVI, HDMI, CVBS" video output
Horizontal resolution	1080 TVL,Tolerance 20%
Function	USB storage
Language	Chinese/English
AC Input	AC100-240V 50/60HZ
Dimension(mm)	461(L)x353(W)x150(H)

YKD-9107

Medical LED cold light source

Hotry

FEATURES

- Built-in LED cold light source, 20 levels adjustable, with memory function, service life of more than 50,000 hours;
- One-click sleep;

Parameter configuration

Product number	YKD-9107
light source	80W LED cold light source
Function	Light intensity indicator Sleep function
Color rendering index	≥90
Color temperature	5000K~7000K
Luminous flux	≥1500Lm
Output hole size	10mm±0.1mm

YKD-2001

Medical trolley

Monitor stand

Lift button (lift range 10cm)

Bracket
(full injection-molded ABS material)

4 inch universal silent wheel

YKD-2002

Medical trolley

Hotry

- Well combination and changeability, could be combined by option according to functional needs.
- Strong metal plate structure, make trolley firmer and more durable.
- Easy assembly, small packing volume, convenient to transport.
- The pallet height is adjustable.

Medical Monitor

- High-performance I/P conversion
- Bright color separation deep compensation
- Environmentally friendly LED backlight
- Dynamic dark area color reconstruction technology
- Over Drive accelerates response and eliminates screen smear
- Digital image transient enhancement technology
- Unique white balance automatic adaptation technology
- Gamma value adjusted one by one before leaving the factory
- Personalized three primary color adjustment permissions
- Operate custom screen ratio adjustment between different modes
