THE SCIENCE OF WHAT'S POSSIBLE.®

EMPOWER SYSTEMS COMPLIANCE SPECIALIST

This certificate confirms that

Cosmin Dragoi

has successfully completed training and is qualified as a Waters Compliance Specialist. The Compliance Specialist is qualified in the areas of functional testing and documentation pertaining to those systems and/or software for which they have been formally trained and certified by Waters. This includes Installation Qualification (IQ), Maintenance Procedures (MP), Operational Qualification (OQ), and Performance Qualification (PQ). Certification as a Waters Compliance Specialist requires understanding of procedures and requirements for Waters functional testing/qualification. Compliance Specialists are trained on Waters' procedures necessary to support end users in complying with GxPs in the regulated laboratory.
