Product Details

Steel Commode Chair with Padded Seat Panel & Armrests

Description

#JL893 is a steel commode chair with that can be easily and comfortably used for personal hygiene care. The chair comes with durable chromed steel frame with chromed finish. The padded seat panel is comfortable and is removable for hygiene use. The plastic commode pail with lid is easily removable. The plastic armrests offer a comfortable place to rest on when sitting and offer a safe grab when making sitting or standing. The bottom tips are made of anti-slip rubber to reduce the accident of slipping.
