

25th July 2024**To whom it may concern**

It is hereby certified that our company Galaxy Ltd. and Transport Malta within the Government of Malta have signed contracts for the supply and personalisation of the Malta Driver's Licence cards to Transport Malta, the Authority for Transport in Malta.

Within the terms and conditions of the Contracts, UAB "Garsu pasaulis" has been subcontracted by Galaxy Ltd. for manufacturing of pre-personalised Malta Driver's Licence polycarbonate cards for the Republic of Malta in strict accordance with the technical specifications, laid down by the Directive 2006/126/EC of the European Parliament and of the Council on driving licenses. Driver's Licence cards have been manufactured and delivered by UAB "Garsu pasaulis" since 2018.

UAB "Garsu pasaulis" is manufacturing pre-personalised Driver's Licence cards in time, respecting all terms and conditions of the Contract. As far as the Driver's Licence cards are concerned, they are in full compliance with the technical and security specifications.

In view of the above and taking into consideration high professionalism exhibited by UAB "Garsu pasaulis" in the execution of the aforesaid Contracts, we strongly recommend this high-security printer and integrator in implementing any of your high security printing projects.

Yours Sincerely

Reuben Zarb
Managing Director
