**Explanatory Note to our offer regarding “Ansamblu de semaforizare in 3 intersectii de strazi), Lot ID: 5277dc5e-6b56-4308-8f95-c679e78dd797”**

Dear Madame/Sirs,

We are happy to provide you with our joint offer together with our local partner AllPass City for the aforementioned public tender procedure.

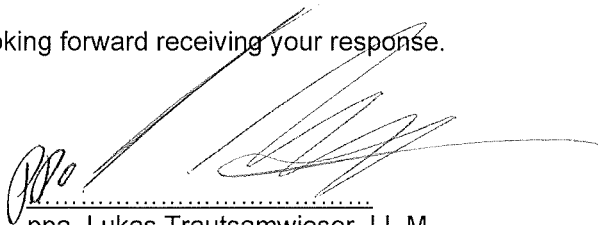

We have carefully analyzed the tender conditions and to avoid any misunderstanding on the scope of supplies of our joint offer, we would like to bring to your attention our explanatory note according to which:

- a) **Maintenance and Service** is not forming part of our offer – in case you are interested in obtaining these services, we kindly ask you to get in touch directly with our local partner AllPass City. As indication on behalf of AllPass City please calculate with round about EUR 50.000 for separate maintenance contract, subject of course to approval of AllPass City and final agreed scope of services.
- b) **any local permits and/or permissions to be obtained by local authorities** which might be necessary or required to perform the local installation in the area of Edinet are also not forming part of this offer.
- c) we deliver all required goods **DAP Edinet** instead of DDP. All Pass City will be happy to assist you with the import of equipment and please contact AllPass City directly.
- d) Performance of the contract in case of award to us, **shall be subject to the reservation** that no obstacles exist under national or international (re-)export regulations, in particular no embargoes and/or other sanctions. Furthermore, the performance of the contract shall be subject to reservation in case of a force majeure event (such as but not limited to in case of war, terrorist attack and/or a pandemic)

We hope that you will appreciate our efforts and we are looking forward receiving your response.

Best wishes from Vienna is sending you
