Standalone Workstation
Software version VB30E and higher

siemens-healthineers.com

The scientific overlay is not that of the individual pictured and is not from a device of Siemens Healthineers. It was modified for better visualization.

Standalone Workstation

Workstation:	1× HP Inc. Z4 G4 Workstation
Processor type:	1× Intel Xeon W-2223 3.6 GHz 4 Core
Memory:	16 GB RAM
RAID controller:	OnBoard
Internal drive:	1× 256 GB SSD Turbo Drive M.2
Internal storage:	2× 2 TB SATA 7.2k
Networking:	1× 1 Gbit/s network interface on board
Optical device:	1× DVDWR
Graphical interface:	1× Nvidia Quadro T600 4 GB
Display output:	4× Mini Display Port incl. 1× HP miniDP-to-DP Adapter (4-pack)
Operating system:	Windows 11 Pro for Workstations 64 (en-US)
Accessories:	1× USB slim wired keyboard 1× optical wired mouse USB

Image Cache

Storage:	Approximately 1.1 TB STS
-----------------	--------------------------

Siemens Healthcare GmbH, syngo.plaza PACS Standalone Workstation. Technical details are subject to change without notice. The hardware described herein is off-the-shelf hardware. Siemens Healthcare GmbH is not manufacturer of the hardware.

Dimension and weight

Workstation dimensions:	16.9 × 44.5 × 38.6 cm / 6.65 × 17.5 × 15.2 in (W × D × H)
Total weight:	17.3 kg / 38.2 lbs
Power consumption:	750 W
Heat emission:	Max. 4 112 BTU/h

Power and network (schematic representation)

The figure below shows the required network and power connections. The network cables should be category 5e or higher. The network cables are not a part of the package delivery, and should be provided and connected by the customer. HP 1.83 m 10A C13 EU power cord is delivered with the package. For other standards, a regional or country-specific power cord option must be ordered.

Customer network:		
	LAN	1 × RJ45 1 GBit/s Cat. 5e or higher
	10A C13	Customer power outlet – country-specific

On account of certain regional limitations of sales rights and service availability, we cannot guarantee that all products included in this brochure are available through the Siemens Healthineers sales organization worldwide. Availability and packaging may vary by country and is subject to change without prior notice. Some/all of the features and products described herein may not be available in the United States or Japan.

The information in this document contains general technical descriptions of specifications and options as well as standard and optional features which do not always have to be present in individual cases.

Siemens Healthineers reserves the right to modify the design, packaging, specifications, and options described herein without prior notice. Please contact your local Siemens Healthineers sales representative for the most current information.

All product names and company names are trademarks or registered trademarks of the corresponding companies.

Note: Any technical data contained in this document may vary within defined tolerances. Original images always lose a certain amount of detail when reproduced.

Whenever the hardware is necessary to start the supplied software, the CE Mark is provided in accordance with if applicable, Electro Magnetic Compatibility Directive 2004/108/EC and/or Low-Voltage Directive 2006/95/EC.
