● PROJECTS

Moldova Partnership Platform 2023-2024

The Moldova Partnership Platform (former Moldova Support Platform) aims to provide political, financial, and material assistance, along with expertise for democratic reforms, by mobilizing support from the EU, G7, international financial institutions, global organizations, and other partners through coordinated conferences. As a lead event manager, I played a key role in the event's **strategic coordination, logistics, technical support, and stakeholder engagement**, ensuring its seamless execution and success.

European Political Community Summit 2023 – Republic of Moldova

European Political Community Summit 2023 aims to promote political dialogue and cooperation to address issues of common interest and to strengthen the security, stability, and prosperity of the European continent. Moldova welcomed **47 Heads of State and Government**, along with the **President of the European Council, the President of the European Commission, and the President of the European Parliament**. I worked in event coordination, ensuring the smooth execution of logistics and technical support.

Link <https://www.epcsummit2023.md/>

International Monetary Fund and World Bank Constituency Meeting 2024

The event, organized by the National Bank of Moldova and the Ministry of Finance, brought together senior representatives of central banks and finance ministries from the member countries of the Constituency, as well as senior representatives from the International Monetary Fund and the World Bank. I worked as a co-lead event manager for the event, where my responsibilities included managing logistics and technical aspects, coordinating the entertainment program for delegates, ensuring protocol compliance, negotiating and coordinating with stakeholders, and handling various other event details to ensure everything ran smoothly.

Moldova Digital Summit 2023

Led the full-scale production and logistical coordination of Moldova Digital Summit 2023 — a major international event focused on digital transformation, organized under the patronage of the Moldovan Government.

Key responsibilities included: development of the event concept and scenographic design for the main stage and expo area, full event logistics, technical setup, and team management across all zones, coordination of hybrid participation (on-site + remote speakers) and multilingual guest experience, supervision of live broadcast infrastructure, including multi-camera direction and livestreaming, collaboration with strategic partners including GIZ, ATIC, and key government agencies.

The event welcomed over 1000 participants from the public sector, tech industry, and international organizations, contributing to Moldova's positioning as a regional leader in digital innovation.

Moldova Youth Forum 2022, 2023, 2024

The Moldova Youth Forum 2024 represents a continued commitment to empowering young people in the Republic of Moldova and providing them with a platform to build connections and influence national policies, contributing to a prosperous future for society. I have been working on this event for three consecutive years. I am responsible for ensuring high-quality technical support and branding, developing the stage concept and visual identity, as well as overseeing these aspects, including client approvals, budget planning, participation in tenders, and other related tasks.

My academic background includes a degree in Interior Design from the **Institute Seni Yogyakarta**. I am passionate about delivering impactful and innovative events while ensuring commercial success.

COMMUNICATION AND INTERPERSONAL SKILLS

Effective Communication, Relationship Building, Conflict Resolution, Negotiation Skills, Team Leadership, Stakeholder Management, Client Satisfaction

With 14 years of experience in the event industry, I have developed strong communication and interpersonal skills, essential for leading complex projects and managing diverse teams. In my current role as Commercial Director at Media Show Grup, I effectively liaise with clients, stakeholders, and partners to ensure project success. As the coordinator of large-scale events, I am adept at building and maintaining collaborative relationships, resolving conflicts, and negotiating effectively. My experience in managing high-profile events, has honed my ability to communicate clearly and persuasively in high-pressure environments, ensuring smooth operations and client satisfaction.

List of my communication and interpersonal skills

Effective Communication – Clear and persuasive communication with clients, stakeholders, and partners.

Relationship Building – Ability to build and maintain strong, collaborative relationships with diverse teams and external parties.

Conflict Resolution – Skilled in managing and resolving conflicts to ensure smooth project execution.

Negotiation Skills – Proficient in negotiating with clients and partners to achieve mutually beneficial outcomes.

Team Leadership – Leading and coordinating teams across large-scale events, ensuring effective collaboration.

Stakeholder Management – Engaging and managing relationships with various stakeholders in high-pressure environments.

Client Satisfaction – Focused on delivering results that meet client expectations and maintaining long-term professional relationships.

PROJECTS

2021 – CURRENT

Festivalul Lupilor

A premier cultural festival showcasing traditional music, dance, and folklore, **Festivalul Lupilor** celebrates the heritage and spirit of the region. As a key coordinator, I have played an integral role in curating the event's programming, managing logistics, and ensuring the smooth execution of each edition since its inception in 2021.

WORK EXPERIENCE

CURRENT Chisinau, Moldova

TECHNICAL ADMINISTRATOR MS-PROD SRL

1. Equipment Maintenance and Management

- Inventory Control: Overseeing the tracking and organization of all rental equipment, including audiovisual equipment, lighting, sound systems, staging, and other event infrastructure.
- Preventative Maintenance: Ensuring regular inspection and servicing of equipment to prevent failures during events. This includes troubleshooting, repairs, and ensuring that all equipment meets the safety and performance standards.
- Quality Assurance: Ensuring that all rented items are in top condition before and after each event, conducting thorough checks for wear and tear.

2. Logistics Coordination

- Scheduling Deliveries and Pickups: Coordinating transportation logistics for equipment delivery to and from event locations. This includes managing timing, ensuring that all needed equipment arrives on time and in working condition.
- Technical Setup and On-Site Support: Supervising the setup of technical equipment at event sites, ensuring proper installation of lighting, sound, AV, etc. Involves working directly with event coordinators and technicians to ensure smooth execution.

3. Technical Support and Troubleshooting

- On-Site Technical Assistance: Providing support for technical issues that arise during events, troubleshooting equipment failures, or technical problems as they occur.
- Remote Support: Offering assistance to clients via phone or email before and after the event to answer technical queries or provide guidance on operating rented equipment.

4. Client Communication and Consultation

- Advising Clients on Equipment Needs: Offering technical advice and recommendations to clients based on the event's requirements, ensuring they rent the right equipment for their needs.
- Pre-event Planning: Reviewing event details with clients, ensuring all technical specifications are understood, and confirming what equipment is required.

5. Documentation and Reporting

- Tracking and Reporting: Maintaining detailed records of rented equipment, including usage, condition reports, maintenance schedules, and any incidents or damages.

6. Team Collaboration

- Coordinating with Technicians and Event Staff: Collaborating with other team members, such as event technicians and logistics personnel, to ensure all technical aspects of events are properly executed.
- Staff Training: Providing training to staff members on the proper handling, maintenance, and operation of technical equipment, ensuring they follow safety protocols.

7. Health & Safety Compliance

- Adhering to Safety Standards: Ensuring that all technical setups comply with local safety regulations, including electrical safety, rigging safety, and event-specific standards (e.g., fire safety, crowd management).
- Risk Management: Identifying and mitigating any potential technical risks that could affect the event or safety of participants.

8. Continuous Improvement

- Monitoring Trends and Innovations: Keeping up-to-date with new technology, equipment, and trends in the event industry to help improve services and keep the rental stock competitive.
- Feedback Collection: Gathering feedback from clients and team members to continuously improve the technical service offered.

9. Financial Management

- Budgeting for Maintenance: Managing the budget for technical maintenance, repairs, and purchasing new equipment as needed. Ensuring cost-effective use of resources while maintaining high service standards.

The role requires a combination of technical expertise, problem-solving abilities, and excellent organizational skills to ensure that everything runs smoothly before, during, and after events.

DESPRE MINE

Experiența m-a învățat să prind esența
fiecărui moment și să aduc o notă creativă în
fiecare proiect. Sunt mereu în căutarea
modului perfect de a transforma ideile în
videoclipuri captivante și de înaltă calitate. Fie
că lucrez la proiecte comerciale, evenimente
sau producții artistice, mă dedic cu pasiune
fiecărui detaliu, colaborând strâns cu echipa
pentru a face fiecare proiect unic și
memorabil. Îmi place să văd cum o idee prinde
viață prin lentila camerei și să creez conținut
care să rămână în amintirea celor care îl
privesc.
