Dear Madam/Dear Sir,

My name is Mihai Lupu and I am sending you this letter of intent to occupy the position of national consultant for the evaluation of the files submitted in the contest organized by GCIP Moldova.

Being employed in several state institutions and private companies, I have accumulated for 22 years a lot of knowledge in the field of energy and the environment, which I am waiting to share with you.

I am a communicative, dynamic, sociable person who can face any challenge, interested in continuous professional development, personal characteristics that I want to show you. The chance to work with you would give me the opportunity to highlight my intellectual capabilities and accumulated experience (according to the attached CV) to fulfill the tasks and goals of the project as well as for the development of my career.

Hoping that I have earned your trust, I thank you for your attention and I hope to be able to provide you with more details in an interview.

**Mihai Lupu**
