Confirmation letter "Hawle 10-year guarantee and operation certificate"

Dear Sirs,

With reference to the tender [ocds-b3wdp1-MD-1664367506907](#)- "Inchizator cu flansa, din fonta ductila, pentru apa potabila, cu actiune manuala ", we, E. Hawle Armaturenwerke GmbH, Wagrainer Str. 13, 4810 Vöcklabruck, Austria, hereby certify that we extend our warranty for butterfly valves 9881K, material code 5013951, for this tender to 10 years (from invoice date). We warrant that these butterfly valves are free from defects in material and workmanship.

Our obligations under this extended warranty are limited to either, at our sole discretion, repair of a defective Service Valve or replacement delivery of a defect-free product free-of-charge.

This extended warranty does not cover any additional costs, in particular no costs in connection with leakage detection, disassembly, removal or reinstallation. We do not assume any additional costs or liability under this extended warranty. In particular, we do not assume any liability for loss of profits, loss of production, loss of sales, loss of production, loss of business, loss of or damage to goodwill and indirect or consequential loss.

Damages caused by careless storage, transport, treatment or unprofessional installation, failure to observe the application regulations, unsatisfactory maintenance and care or inadequate usage of fittings and replacement parts will not be covered by the warranty.

With kind regards

E. Hawle Armaturenwerke GmbH
