

# Certificate of Approval

This is to certify that the Management System of:

## GE GRID SOLUTIONS

Citylights, CITY 1, 204, rond-point du pont de Sèvres, 92100 BOULOGNE-BILLANCOURT, France

has been approved by LRQA to the following standards:

### ISO 14001:2015

Approval number(s): ISO 14001 – 00022030

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### **The scope of this approval is applicable to:**

Project management, procurement, installation, testing, automation, telecommunication, protection and control, measurement equipment, monitoring and diagnostics, commissioning and services related activities, for systems and equipment in the field of electrical grids and communications.

This certificate is a continuation of a previous approval from another certification body as follows:

Previous original ISO 14001 approval on 03-Sep-2018, certificate number 10198912

**Marta Escudero**

Regional Director, Europe

Issued by: LRQA Limited

LRQA Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'LRQA'. LRQA assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant LRQA entity for the provision of this information or advice and in that case any responsibility or liability is exclusive on the terms and conditions set out in that contract.

Issued by: LRQA Limited, 1 Trinity Park, Bickenhill Lane, Birmingham B37 7ES, United Kingdom
