Nota / Note / Notiz:

Gli abbinamenti tra Unità Esterne, Unità Interne e Accessori dovranno essere in accordo a quanto riportato nei Manuali.

The combinations between Outdoor Units, Indoor Units and Accessories must be in accordance as reported on the Manuals.

Les combinaisons entre les unités extérieures, les unités intérieures, et les accessoires, doivent être conformes aux indications présents dans les Manuels.

Die Kombinationen zwischen Aussen- und Inneneinheiten sowie mit den Zubehören sollen mit den Informationen im Handbuch übereingestimmt werden.

Las combinaciones de las unidades externas, las unidades internas y accesorios deben ser de acuerdo a lo reportado en los Manuales.
