Job title: Local Consultant. Technical/business consultant.

Project title: Clean technology innovation program for SMEs and start-ups in the Republic of Moldova (GCIP Moldova)" (GEF ID: 10457).

Dear Sirs,

With this letter of intent, I inform you about my interest to apply for the vacant position of local technical / business consultant under the Clean technology innovation program for SMEs and start-ups in the Republic of Moldova project. As you are looking for a specialist who has both professional technical and economic experience, as well as the necessary motivation and passion - a profile with which I fully identify.

In the 20 years of professional activity, I have worked in the domains of electricity and heat production, natural gas and oil processing, maintenance and operation of industrial facilities, implementation of legislation on energy audit in the Republic of Moldova and providing advisory and information assistance service to private companies, public entities, and economic operators as an energy auditor. I have also participated in numerous advanced training courses in the domain of energy audit and the economic activity of small and medium enterprises.

Due to my professional experience, I am very well acquainted with the processes of production, transportation and distribution of electricity and heat. So far, my main tasks have been:

- Evaluation and implementation of technical development plans and assembly plans;
- Use, maintenance and repair of industrial installations, commissioning of newly installed technological installations;
- Improving existing technological processes and analyzing technical and economic energy efficiency solutions, especially at low or no cost;
- Management of the energy audit company.

Since I decided to apply for this position, I would like to tell you more about my professional activity in a personal conversation and convince you of my skills for this position.

I confirm my availability to present all copies of all my diplomas mentioned in my CV and a detailed description of all projects mentioned in this Cover Letter.

Please do not hesitate to contact me at chiparvictor@gmail.com if you have any questions about my application.

Kind regards,
Victor CHIPAR
