Company Profile:

"PBP" Law Firm is a Partnership of Attorneys at Law, established in 2010. The Firm provides legal services in a wide range of areas: civil and commercial law, public and administrative law, human rights, labour law, etc.

The Firm employs six attorneys, a tax specialist, two trainee attorneys and two junior lawyers. The attorneys have between 7 and 12 years' experience. All attorneys hold a master's degree in law and one attorney also holds a doctorate in social sciences. Two attorneys are also university lecturers and one is a certified mediator.

Since 2010 the Firm has been constantly active on the legal services market in the Republic of Moldova. The Firm has won about 20 cases at the Strasbourg Court. Attorneys of the Firm have represented hundreds of clients in domestic courts. The attorneys have also represented cases before the Equality Council, where they defended discriminated persons.

Attorneys of the Firm are also founders of the NGO "Institute for Civil Justice", established in 2010, in which capacity they have contributed through their efforts to the drafting of public policies in the field of justice, the drafting of bills and the monitoring of the justice situation. Attorneys are authors of several studies and reports in the field of justice and human rights, which have been presented to national and international institutions. Attorneys are constantly advocating for human rights.

Andrei BRICEAC, head of the Firm, has studied and interned in the USA (Washington DC, 2014), Latvia (Riga Graduate School of Law, Advanced Programme in Law and Economics), Romania (Master in Business Law at the University of Iași) and the Republic of Moldova. He has participated as a civil society representative in projects implemented by the Supreme Council of Magistrates, the Ministry of Justice and other public authorities. He is a university lecturer, trainer at the Attorneys Training Centre and author of legal publications. Throughout his career he has represented national and international firms and companies in litigation and arbitration. Currently, together with attorney Boris MALACHI, he is the attorney of a national company in a case in which a fine of USD 5 million was imposed, the largest fine ever imposed in the Republic of Moldova.
