

Factory inspection report of finished components

PV panel manufacturer:	Yangtze Solar Power CO.,LTD. Factory : Pioneering Park, Gaoliangjian Street, Hongze District, Huaian City, Jiangsu P.R. China			
Product name:	Mono solar panel	Batch Identification:	As per Annex 1	
Modul Type:	YS600M-60 (half cells) / YS600M-120	PV Panel Power:	600W(0~+5W)	
PV cells Specification:	Half-cut 210mm Mono-crystalline Silicon Solar cells	No. of cells	120 (6X20)	
PV panel size:	2172×1303×35mm	Number of Panels:	3006PCS	
Ref.	Test items	Requirements	Inspector Judgment	Conclusion
1	Component specifications	Meet the contract order requirements	Meet the requirements	Qualified
2	Component layout	Conform to "M600 series component product map"	Meet the requirements	Qualified
3	Component appearance	Appearance conforms to "Component Inspection Standard"	Meet the requirements	Qualified
4	Component power test	600W(0~+5W)	Meet the requirements	Qualified
5	Component EL test	EL complies with "Component Inspection Standard"	Meet the requirements	Qualified
6	Packing	Meet customer packaging requirements	Meet the requirements	Qualified
7	Factory inspection requirements	Marks meet the requirements, the appearance is clean and free from pollution and damage, the product packaging is suitable for tightness, the appearance and shape are regular and orderly, and the packaging quantity is correct.	Meet the requirements	Qualified
8	Implementation of TUV standards	IEC 61215-1:2016/EN 61215-1:2016; IEC61215-1-1:2016/EN 61215-1-1:2016; IEC 61215-2:2016/ EN 61215-2:2017+AC:2017+AC:2018; IEC61730-1:2016/EN IEC61730-1:2018+AC:2018; IEC61730-2:2016/EN IEC61730-2:2018+AC:2018	Meet the requirements	Qualified
Test result:	Meet the requirements of TUV implementation standards as mentioned under 8 above and agreed specification, and are allowed for shipment
