

## "EUROSPIRO" Disposable Paper Mouthpieces

### DESCRIPTION

LUMED "EUROSPIRO" Disposable Cardboard Mouthpieces are made from durable Kraft paper and designed for single patient use. Each mouthpiece is individually wrapped in order to guarantee the maximum hygiene levels. They are available in a variety of sizes to fit most pulmonary function equipment and are packaged in convenient dispenser boxes of 100 or 150 pieces or bulk cases of 500 pieces. LUMED "EUROSPIRO" Disposable Cardboard Mouthpieces meet the requirements of the applicable EC directives in order to obtain the CE marking.
