RFQ Subject: 2-years Framework Agreement for the provision of Cleaning Services in Moldova.

The Norwegian Refugee Council (NRC) is an independent humanitarian organisation helping people forced to flee. We protect displaced people and support them as they build a new future.

The aim of this Request for Quotation (RFQ) is to fix the prices of the services & supplies proposed throughout the period of the Framework Agreement. There is no fixed value attached to this Framework Agreement and NRC is under no obligation to contract any specific value of goods and/or services under this Agreement. However, NRC is expecting suppliers to quote their best price considering the length of the agreement and the quantities expected to be ordered under this agreement.

The office of the Norwegian Refugee Council invites your company to submit a price quotation for the following items in accordance with the requirements detailed below. You may use your company format or fill up the table below. Please read carefully the instructions below.

NRC is obliged to ensure that its procurement decisions are clearly justified and documented and keeping within the Donors mandatory principles. In that regard, full and on-the-spot access must be granted to representatives of NRC, the Donor or any organisation or person mandated by it, to premises belonging to NRC or its contractors. The right to access shall include all documents and information necessary to assess, or audit the implementation of the contract.

NRC also expects suppliers who process personal data to comply with the General Data Protection Regulation (EU GDPR) and any relevant national legislation. Suppliers processing personal data on an NRC contract will be required to sign a data processing / sharing agreement as part of the contract. Refusal to sign such an agreement constitutes refusal of the contract terms and forfeiture of the contract on the part of the supplier.

If the activities of the contract take place in areas with Explosive Hazards, NRC accepts no liability for injury and/or death to contractor's staff or damage to contractor's property. Anti-money laundering, anti-bribery, anti-corruption and anti-terrorism legislation and donor regulations require NRC to screen contractors against various international lists to ensure due diligence. Submission of the quotation constitutes acceptance of these screening practices.

NRC aims to purchase products and services with minimum environmental impact. Environmental considerations form part of the NRC selection criteria, and NRC reserves the right to reject quotations provided by suppliers not meeting these standards.

All suppliers doing business with NRC should maintain high standards on ethical and environmental issues, respect and apply basic human and social rights, ensure non-exploitation of child labour, and give fair working conditions to their staff. **Suppliers will be required to sign and submit an Ethical Standards Declaration, together with their bid.** NRC reserves the right to reject quotations provided by suppliers not meeting these standards.
