*Dear Partner,*

**Subject: general warranty and possible extension**

We declare that all medical devices presented in our range for Rehabilitation Equipment and Assistive Devices are under 24 months warranty from invoice date and in compliance with European standards (CE mark), where applicable.

We can grant extended warranty upon request when you consider that it's critical in order to compete with and promote our products, especially in case of public tender. Moreover we guarantee spare parts supply for 10 years from the invoice date.

The present statement is released for all possible commercial uses.

Yours sincerely,

CHINESPORT Spa - Italy
