

Product Description

Model: MCD5180

Power supply: 9 volt square battery

Detection distance: $\geq 9\text{cm}$

Working current: $< 50\text{MA}$

Weight: 407g

Dimensions 415*90*45mm

High sensitivity
Accurate detection

1

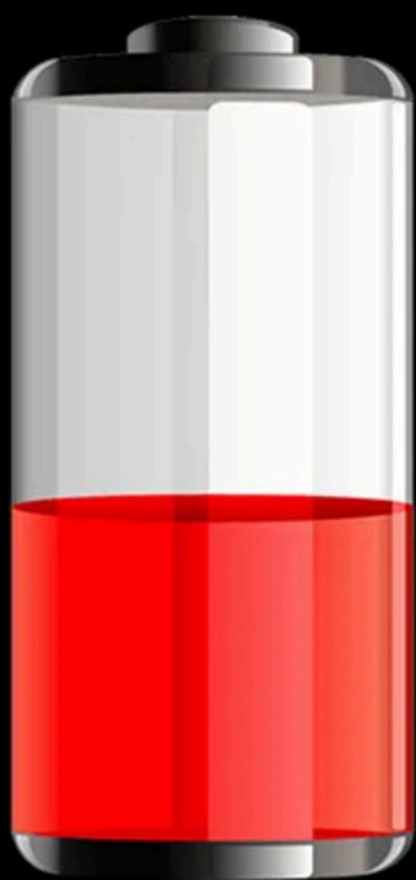

Low power consumption **3**

Low battery reminder

4

When the voltage is lower than 7V
Yellow low voltage indicator lights up

Anti-vibration,
drop and durable

5

Detection distance description

Paperclip/pin
0~30mm

One coin
0~90mm

Mobile phone
lighter
0~150mm

Pistol/knife
0~120mm
