

Single-use proctoscope.

For a reliable diagnosis of the rectum MICRO-TECH disposes different proctoscopes in a disposable variant. The proctoscopes are made of high quality clear acrylic, which ensures a clear view of the intestinal wall and avoids cold sensations for the patient during insertion. The smooth surface facilitates the examination and prevents potential injuries.

REF	Description	Length mm	Ø outside mm	Ø inside mm
Proctoscope				
RA1480	Size S for paediatrics, color: white	80	14	12
RA2295	Size M, color: yellow	95	22	20
RA2695	Size L, color: red	95	26	24
