Combined VAT treatment statement covering both supplying services and goods:

The place where a supplier or customer belongs will determine where the service is supplied and who accounts for any VAT due in the following cases. In this particular case, as it is a B2B supply, the place of vatable supply will be determined by the customer's location. As it is out of the UK, SITA Advanced Travel Solutions Ltd. will charge no VAT. However, the customer should note that the supply may be subject to Moldovan VAT under the reverse charge provisions.

Conversely, the supply of hardware shall be treated as a domestic transaction in Moldova. The equipment will be imported into Moldova and sold locally by SITA BV Moldova. Pursuant to Moldovan VAT legislation, such supply shall be subject to VAT at the standard rate of 20% and SITA BV Moldova shall issue the corresponding invoice inclusive of Moldovan VAT.
