BM1000 B BLU Finger Pulse oximeter		Adult	OLED display, Bluetooth 3.0/4.0 (for Android/iOS)	1 Hang lace 1 manual	L Data can record by software and export via studential stripe ext. 2. Spo2. PR and waveform can be shown on the screen. Sy statistic batteries, can continuously 3. 2 AAA. Size of Discord. 2. PAAA. SEAR SISS OF LASES	
BM1000 C BLU Finger Pulse oximeter	INMM INMM	Adult	LCD display, Bluetooth BLE (for iPhone and Android phones)	1 Hang lace 1 manual	Lata can record by software and export via buetooth, email. Skype ect. Spool, PR and waveform can be shown on the screen. A ANA distallment batteries, can continuously activated to the continuously activated to the continuously activated to the continuously AFPARCERARCH SISTO 14858850 c certification. S. Ook of display has two changeable directions. App can free download from goods pilay and app store. To an offer communication protocol and sorce code for receigineering.	
BM1000 D Finger Pulse oximeter		Adult	OLED display, no bluetooth	1 Hang lace 1 manual	1. Date is display in the screen 2.2 AAA. 1.5V atialise batteries, can continuously 2.7 PAACEARCH SAND AMERICAN CONTINUOUSLY 2.7 PAACEARCH SAND CAMERICAN CONTINUOUSLY 4. Color display has two changeable directions.	
BM1000 E Finger Pulse oximeter	The same of the sa	Adult	LCD display, no Bluetooth	1 Hang lace 1 manual	Data can record by software Spo2, PR and waveform can be shown on the screen 3.2 AAA 1.5V alkaline batteries, can continuously work for about 30 horus, #SSBSCI certification. Score displays also changeaite directions. 8.Can offer communication protocol and sorce code for reengineering	
BM1000 Finger Pulse oximeter		Adult	LCD display, Bluetooth BLE (for iPhone and Android phones)	1 Hang lace 1 manual	Date can record by software and export via sixetooil armal Silvpe ext. Sop. 2 Plant of waveform can be shown on the screen. 2, 2 AQA. 1.5V alkaline batteries, can continuously work for should 30 hours. Sold Silvpe ext. Sold Silvpe ext. Sold silvpe ext. Sold silvpe ext. App can free download from google play and app store 7.Can offer communication protocol and sorce code for receptivering.	Ø Ø ⊕ B
BM1000 A Handhel d Pulse Oximeter		Adult/ Child	LCD display, Bluetooth BLE (for iPhone and Android phones)	Nellcor Spo2 Sensor (with neonate , prediatric , adult)	Simple and convenient usage of product Ziower consumption original two AA batteries and continuably work for 24 hours and continuably work for 24 hours and continuably work for 24 hours make the product of the continuation of the continuatio	
BM2000 A Sleep Apnea Screenin g Monitor	BACOROS, dive brand No Pub Colone When Pub Colone	Adult/ Child	OLED display, Bluetooth BLE Or Dual Mode (for iPhone and Android phones)	BCI Spo2 Sensor	Agrees manifoling function. 2. Whill Blustone 4.0 and APP connected to PC or Smart phose 1.0 and APP connected to PC or Smart phose 1.0 and APP connected to PC or Smart phose 1.0 and waveform display. 3. Control OLED Edgislay, with value, bar graph and waveform display. 5. Citre building the device. 6. Citre building the device. 6. Citre building the device. 6. Low building the device of the device. 6. Low building the citre building the device of empty. 7. Low building the Citre building the device of empty. 7. BM2000 Wrist Pulse Oximeter	660330 Reviews Vivile Chinese	Adult/ Child	OLED display, Bluetooth BLE Or Dual Mode (for iPhone and Android phones)	BCI Spo2 Sensor	Small size,light weight,easy to be worn as a watch 2. Get all function with one key operation. 3. Color OLED diaplay of Spo2 Sensor-Pulse Rate, Pulse Intensity bargraph and plethysmogram. 4. Low power consumption, the 3.7 v lithium battery lasts 24 hours. Spo and free download from google play and app store.	
PM6750 Portable Patient Monitor		Peopl e or Anima Is	NO display Bluetooth BLE (for PC, iPhone and Android phones)	BCI Spo2 sensor 5 ECG lead wires cable NIBP cuffs 2.25K temp probe Blood pressure ologe BCI Spo2	Barameter including Spo2, ECG, PR, NIBP, Temp and Resp. Frequency: RS232, Baud rate: 115200, Power: OC '120. Subsciots 2.0 SPP and USB function, widely used in windos, Linux, WinCE, Andriod systems. Three serial ports, one full speed USB port.	To Total
PM6100 Palm Patient Monitor	18 11 m 100	Peopl e or Anima Is	LCD display Bluetooth BLE (for PC, iPhone and Android phones)	BCI Spo2 sensor 3 ECG lead wires cable Cuffs Blood pressure pipe power	Compact size, lightweight, easy-to-carry handle. Result and waveform are shown on the TFT in real time Low-power dissiplant Low-power dissiplant Support both Bitletooth 3.0 and BLE 4.0 communication.	
BM2000 G Ring pulse oximeter		Adult	LCD display no bluetooth	1 chardge cable 1 mannul	Spo2, PR and waveform shown, dual color of display, 2. 3.7V aluminum batteries, recharge for 6 hours can continuously work for about 24 hours. 4.Wth CEAISO1485 certification 5.with Exquisite aluminum box packaging	
BM3000 B USB pulse oximeter	Account to the country of the country	Adult/ Child/I nfant	no screen no bluetooth	1 chardge cable 1 mannul	1.Connected with Smart Phone 2.the testing result is display on the screen	7 PH
1. FOB Shanghai port. 2. Payment: By T100% or paypal 100% (lower or equal USD1000); ByTT.50% deposit, balance before shipment (over USD1000). 3. Shippment: 7 workinhig days (lower 100pcs); 15-30 working days (over 100pcs) after receiving payment or deposit.
