

Sampling bag SteriBag

Sampling bag SteriBag for chemistry, pharmaceuticals, medicine, veterinary science and food-stuffs etc.

*** Page 120**

SteriBag StandUp is a sterile sample bag with a stand-up base.

SteriBag Cleanroom can be placed directly in the clean room.

SteriBag Blue is especially well suited for use in the food, animal feed and pharmaceutical industries.

SteriBag Premium uniquely combines a high degree of security, sterility, tamper evident closure and traceability.

Sampling bag SteriBag    

Capacity ml	Model	L x W mm	Pieces per pack	Item no.
