Confirmation

Ladies and gentlemen,

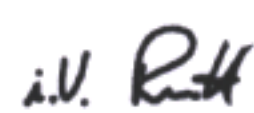

We confirm that all service parts distributed by SHS CS ML are manufactured by Siemens Healthineers Business Areas/Lines themselves or suppliers released by the product responsible Siemens Healthineers Business Areas/Lines. The service parts are either new or in like new condition. Both types of service parts fulfill the same functional specifications, confirmed by a final quality test.

Siemens Healthineers provides the same warranty period for new or like new service parts.

The SHS CS ML logistics process is part of the complete Customer Service Quality Management System which meets the requirements of ISO 13485:2016 (Medical devices - Quality management systems - Requirements for regulatory purposes).

Sincerely yours,
Siemens Healthineers AG
