

13.04.18 nr. 13-15-83

To whom it may concern

The company Aproservice-X SRL during the cooperation with National Agency for Curriculum and Evaluation has established itself as a reliable and professional partner.

Under the contract No 20-sc from the 21nd of February 2017, which was signed in the designation of Aproservice-X SRL as the winner of the tender of 14.02.2017 on Information System for Scanned Documents Management maintenance and Bachelor Tests Scanning services, the company Aproservice-X SRL undertakes among other things to accomplish the document transfer from paper, convert scanned images to PDF, extract metadata from scanned documents and transfer these data and scanned documents as well to an Informational System for ingestion and further publishing via Internet.

As a result of the implementation of these services, over the course of 1 month have been scanned and inserted into the document management system 129,727 bachelor tests, with a total of near 518,908 pages of A3 format, scanned in both black and white and color mode. Scanning services and informational system maintenance have been provided qualitatively and in time, being used modern equipment and technologies.

In particular, we would like to highlight the professionalism of the employees of the company Aproservice-X SRL and the management's ability to react quickly to special situations and always offer support in choosing the best options and solutions to our requests. All these have made the relationship with company Aproservice-X SRL as one fruitful and efficient for both companies.

We highly recommend Aproservice-X SRL as a reliable partner, thanks to the quality of the services they provide, promptness, seriousness, professionalism of employees which they demonstrate, as well as the flexibility of the solutions offered.

Sincerely,

Director

Anatolie Topală
