

## CRYO RACK/FREEZING RACK

The racks are made from high quality PS and PC, could freezable at -196°C.

Item No.	Description	Package
CRS81	81Wells Cryo Rack, PS	50racks/ctn
CRS100	100Wells Cryo Rack, PS	50racks/ctn
CRS25	25Wells Cryo Rack, PS	200racks/ctn

Item No.	Description	Package
CRC81	81Wells Cryo Rack, PC	50racks/ctn
CRC100	100Wells Cryo Rack, PC	50racks/ctn
CRC25	25Wells Cryo Rack, PC	200racks/ctn

## CRYO TUBE

These Cryo Tubes are Manufactured from durable PP and PE, and they will be your best choice based on the high quality and special features. They could Freezable at -196°C, interlocking cap design ensure exact fit and will not absorb water or other contamination, Easy-to-read graduations are accurate to  $\pm 2\%$ , and Screw cap with plug seal for one-handed operation.

Item No.	Description	Package
CT0010I	1.0ml Cryo Tube With Internal Cap	100pcs/bag, 20bags/ctn
CT0020I	2.0ml Cryo Tube With Internal Cap	100pcs/bag, 20bags/ctn
CT0030I	3.0ml Cryo Tube With Internal Cap	100pcs/bag, 20bags/ctn
CT0040I	4.0ml Cryo Tube With Internal Cap	100pcs/bag, 20bags/ctn
CT0050I	5.0ml Cryo Tube With Internal Cap	100pcs/bag, 20bags/ctn

Item No.	Description	Package
CT0010E	1.0ml Cryo Tube With External Cap	100pcs/bag, 20bags/ctn
CT0020E	2.0ml Cryo Tube With External Cap	100pcs/bag, 20bags/ctn
CT0030E	3.0ml Cryo Tube With External Cap	100pcs/bag, 20bags/ctn
CT0040E	4.0ml Cryo Tube With External Cap	100pcs/bag, 20bags/ctn
CT0050E	5.0ml Cryo Tube With External Cap	100pcs/bag, 20bags/ctn

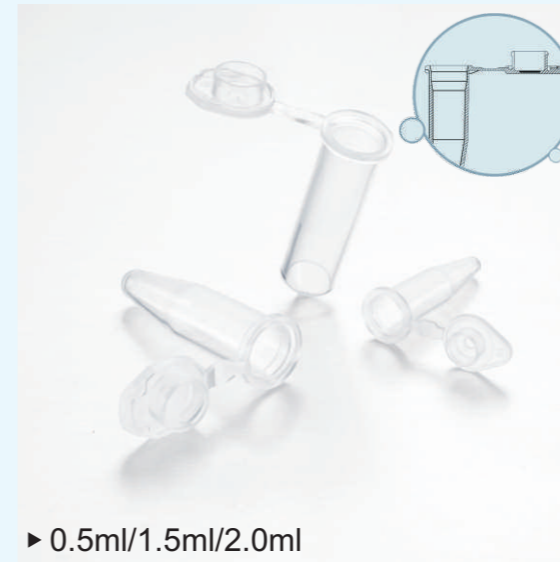

## CENTRIFUGE TUBES

Our centrifuge tubes are manufactured from high-clarity polypropylene. Graduations are printed in a bold easy-to-read and are accurate to  $\pm 2\%$ . Large white marking area provides excellent contrast for identification. The extended cap design facilitates one hand removal of caps and helps prevent contamination. Conical bottom tubes have smooth, flat surface polyethylene caps. Max rotate speed up to 12,000g for 15ml conical bottom centrifuge tubes, 9500g for 50ml centrifuge tubes. Autoclavable at 121°C and freezable to -80°C. Available in sterilized or non-sterilized.

Item No.	Description	Package
CTBF05-20	5ML Centrifuge Tube With Flip Cap	Bag Package, 100pcs/bag, 20bags/ctn
CTBS05-20	5ML Centrifuge Tube With Screw Cap	Bag Package, 100pcs/bag, 20bags/ctn
CTB15-25	15ML Conical Centrifuge Tube	Bag Package, 25pcs/bag, 20bags/ctn
CTB50-25	50ML Conical Centrifuge Tube	Bag Package, 25pcs/bag, 20bags/ctn
CTF15-25	15ML Conical Centrifuge Tube	Foam Package, 50pcs/foam, 20foams/ctn
CTF50-25	50ML Conical Centrifuge Tube	Foam Package, 50pcs/foam, 20foams/ctn
CTFS50-25	50ML Self-Standing Centrifuge Tube	Bag Package, 25pcs/bag, 20bags/ctn
