In life, every touch has a meaning. From the first day that we are born into this world, a pair of gloves takes us to our mother's embrace. As you move through stages of life, gloves help to protect you. Across industries, from medical to food and manufacturing of many great products, gloves have become an essential part of our life.
Our Vision is to deliver "Touch Of Life" on a global scale

We are committed to conducting business with transparency, fairness, environment and improving society.
