

## Recommendation Letter for Pumba Creative Studio

To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for Pumba Creative Studio. Our organization, the Eastern European Centre for Multiparty Democracy (EECMD), collaborated with Pumba Creative Studio in September for the implementation of a promotional campaign on the online platform [www.partide.net](http://www.partide.net).

Throughout the course of our cooperation, the Pumba Creative Studio team demonstrated exceptional professionalism, creativity, and a strong commitment to quality. Their approach to content production was both strategic and innovative, resulting in highly engaging visual materials that effectively communicated our message and enhanced the visibility of our initiative.

The team exhibited excellent communication skills and a strong sense of responsibility in every stage of the project—from concept development and filming to editing and final delivery. They met all deadlines with efficiency, maintained an open and constructive dialogue with our staff, and were flexible in accommodating our specific needs and feedback.

Thanks to their professional work, our campaign achieved impressive engagement and successfully reached its target audiences. We were particularly impressed by their ability to balance artistic vision with the communication objectives of a civic and educational initiative such as ours.

Based on our experience, I confidently recommend Pumba Creative Studio as a reliable and highly capable partner for any promotional, creative, or communication projects. Their professionalism, dedication, and quality of work make them an excellent choice for future collaborations.

Sincerely,

Maia Machavariani
