We understand that our tender may be rejected if we propose key experts who have been involved in preparing this project or hire such staff as advisers in the preparation of our tender and that we may also be subject to exclusion from other tender procedures and contracts funded by the EU/EDF.

We are fully aware that, for a consortium, the composition of the consortium cannot be changed in the course of the tender procedure, unless the contracting authority gives its prior approval in writing. We are also aware that the consortium members would have joint and several liability towards the contracting authority concerning participation in both the above tender procedure and any contract awarded to us as a result of it.
