To whom it may concern

**Reference: Sue Harris & Westbury Communications**

I've had the pleasure of working with Sue Harris and Westbury Communications during 2020 and 2021, and her reputation for genuinely ground breaking PR precedes her.

Sue is uniquely placed to help drive our PR strategy and that of our growing client roster thanks to the extraordinary network that she has developed over her long career. She is scrupulously honest, tenacious and imaginative, finding angles and opportunities that most agencies would miss.

Frankly I'd struggle to find a more accomplished operator in the UK, we're very lucky to have her and the Westbury team on board.

Please feel free to get in touch if you'd like to talk about our experiences in more detail.

Kind regards
