

Tank Vent Filter with CO2 scavenger, replace TANKMPK01

Tank Vent Filter with CO2 Scavenger RATANKVN1, replace TANKMPK01

RephiLe Catalog No.: RATANKVN1
Millipore Catalog No.: TANKMPK01

Product Description:

Tank Vent Filter with CO2 scavenger, replace TANKMPK01 is designed to prevent airborne particles, CO₂, organic and bacteria from entering the PE water tank. It contains a scavenger to remove CO₂.

Suitable for the following Millipore systems:

- Elix (UV) 3/5/10 (30/60/100L PE Reservoir)
- Elix Advantage (30/60/100L PE Reservoir)
- Elix Reference (30/60/100L PE Reservoir)
- Elix Essential (30/60/100L PE Reservoir)
- Milli-Q Integral (30/60/100L PE Reservoir)

Suitable for the following RephiLe systems:

- Direct-Pure Genie (30/60L PE Reservoir)
- Direct-Pure UP (30/60L PE Reservoir)
- Direct-Pure EDI (30/60L PE Reservoir)
- Direct-Pure RO (30L PE Reservoir)
