Core Specifications

Product Name:	Dongfeng 10m³ Compression Garbage Truck	FOB Unit Price:
Brand:	Dongfeng	Quantity:
Color:	White	Total Amount:
Curb Weight:	8970kg	Packing:
Rated Load Capacity:	8000kg	Validity:
Overall Dimensions:	7750×2450×3200mm	Warranty Period:

Chassis Configuration

Cab Control Type:	Left-hand drive	Driving Recorder:	Available
Cab Rest Area:	Available	Seating Capacity:	2-3 persons
Doors & Windows:	Power windows	Drive Form:	4×2
Central Locking:	Available	Front/Rear Axle:	5/9T wheel reduction axle
Headlights:	LED	Number of Axles:	2
Air Conditioning:	Heating and cooling	Wheelbase:	3800mm
Steering Wheel:	Multifunctional	ABS:	Available
Battery:	Maintenance-free		

Engine & Transmission

Engine Brand:	Yuchai
Engine Power:	165hp
Transmission:	8-speed manual

Performance Metrics

Maximum Speed:	89km/h
Tire Configuration:	6+1 (8.25R20)
Fuel Consumption:	23.8 L/100km

Body Configuration

Tank Volume:	10m³	Filler Lifting Angle:	≥95°
Tank Material Specifications:	New arc-shaped design, carbon steel construction with thickened steel plates for bottom tank and filler. Corrosion-resistant with three-layer paint treatment for extended service life.		
Loadina Cycle Time:	≤25s	Compression Ratio:	1/3-1/2
		Operation Modes:	Integrated manual and electric operation with cab controls, one-touch unloading function, and remote control capability.
