4. Device Classification

In accordance with Annex IX of Council Directive 93/42/EEC, the above-listed devices are classified as:

Class I – Rule 6 (Surgically invasive devices intended for transient use)

Class I – Rule 5 (Non-invasive devices in contact with injured skin)

Class I – Rule 1 (Non-invasive devices)

5. Conformity Assessment Procedure

The conformity assessment has been carried out in accordance with:

**Annex VII – EC Declaration of Conformity
of Council Directive 93/42/EEC on Medical Devices**

As Class I medical devices, the products do not require Notified Body involvement under the MDD.

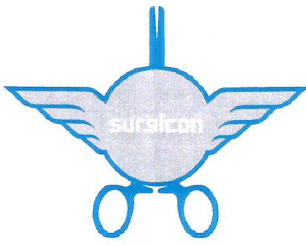

6. Declaration of Conformity

We hereby declare, under our sole responsibility, that the medical devices listed above comply with the applicable provisions of Council Directive 93/42/EEC on Medical Devices, as amended.

ISO 9001 : 2015
ISO 13485 : 2016
