

# CERTIFICATE

## The company

**Tirotex Closed Joint Stock Company**  
**October Industrial Hub**  
**3300 Tiraspol, MOLDOVA**

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **17.0.29712**

## for the following articles:

**Woven fabrics made of 100 % cotton, raw white (greige), white, vat, reactive and pigment dyed and printed (pigment and reactive print) and finished, also yarn dyed made of 100 % cotton as well as cotton/polyester in white, partly acrylic coated or water-oil repellent finished.**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate 16.HMD.99805 is valid until 31.03.2019**
