REFERENCE LETTER

Production and Delivery of the Vehicle License Plates with Security Features
We, Baltijas Banknote SIA, headquartered in Elijas iela 1-1, Riga, LV-1050, Latvia, and represented by our Managing Director Mr. Normunds Silis, are an established supplier of embossed and personalized vehicle registration plates for the **The Road Traffic Safety Directorate (CSDD)** of Ministry of Transport of the Latvia.

We would like to highlight DKT Deutsche Kennzeichen Technik GmbH as a highly valued partner. DKT has supplied us with blank aluminum registration number plates in a variety of sizes, formats, and colors. The company also provides us with hot stamping foils for the personalization process.

During the years 2024 and 2025, DKT delivered blank plates to us with a total contract value of EUR 654,565.37 EUR. All deliveries were made on schedule, in full compliance with contractual terms, and met the highest quality standards.

DKT has repeatedly proven itself to be a highly reliable, professional, and responsible supplier. Their ability to maintain consistent quality and adhere to strict deadlines has contributed significantly to the success of our plate production programs.

Based on our experience, we can strongly recommend DKT Deutsche Kennzeichen Technik GmbH as a trusted and competent partner for the supply of registration number plates and related materials.

Managing Director:

Normunds Silis
