### RECOMMENDATION LETTER

#### To whom it may concern

We hereby express our appreciation for the cooperation with the company ICS EYECON MEDICAL SRL. According to the contract provision no. *MD-MHLSP-212234-GO-DIR, Procurement od Medical Equipment (Oxigen generators), Project Moldova Emergency COVID-19 organized by Ministry of Health, Labor and Social Projection of Republic of Moldova* and the contract after public bidding "*Purchase of medical devices according to the needs of IMSP EDINET DISTRICT HOSPITAL for combating COVID-19*" the supplier had delivered and installed **two Oxygen generator Stations.**

In addition, staff training was provided for proper use of the goods. The company provided high quality medical equipment and consumables, with a wide range of products and with the operative delivery of the requested goods.

We have noticed no delays, rejected receptions due to non-compliance with the quality parameters or other unexpected circumstance during the contract execution by ICS EYECON MEDICAL SRL.

Certificates of conformity have accompanied all the delivered products from European producers, which confirm the experience and professionalism of the ICS

EYECON MEDICAL SRL in the field of equipment sales and those needed for the health system.

In conclusion, we recommend ICS EYECON MEDICAL SRL as a professional and credible partner, distinguished by its quality services and by the flexibility of the offered solutions.

This letter is issued upon request for reference purposes only.

Sincerely

*Gitorce SC*
