LABORATORIUM GRUP

Str. Independentei 1/A, Ap. 93, mun Chisinau

Povegliano Veronese, 29/01/2025

As a result of your kind request, Chimica CBR s.p.a. declares that it is in compliance with current EEC directives.

Chimica CBR further declares, as a user, that all substances, or substances that make up the mixtures supplied to you, and listed below:

✓ 11150	XILOLO	N.C. 27073000
✓ 11100	TOLUOLO	N.C. 29023000

RoHS Directive (Restriction of Harmful Substances 2002/95/EC)

CHIMICA CBR complies with the criteria required by the European Union's RoHS Directive, enforced by Delegated Directive 2015/863/EU (RoHS III), which updates Directive 2011/65/EU (RoHS II), which requires that the following substances are not contained in electrical and electronic equipment:

Lead 0.1%, Mercury 0.1%, Cadmium 0.01%, Hexavalent chromium 0.1%, Polybrominated biphenyls (PBB) 0.1%, Polybrominated diphenyl ethers (PBDE) 0.1%, Bis(2-ethylhexyl) phthalate (DEHP) 0.1%, Benzyl butyl phthalate (BBP) 0.1% , Diisobutyl phthalate (DIBP) 0.1%.

REACH (Registration, Evaluation, Authorisation, Restriction of Chemicals)

According to EC Regulation No. 1907/2006 (REACH Regulation), Supply Chain actors must identify the presence of "Substances of Very High Concern" (SVHC) included in the List updated periodically by ECHA. In accordance with Article 33 of the REACH Regulation, as a supplier we are required to report the presence of substances included in the List if they are present in our products in concentrations greater than 0.1 percent by weight.

As a result of recent additions by ECHA of additional chemicals to the "SVHC" list updated as of January 21, 2025, we would like to inform you that there do not appear to be any in the articles we supply:

- "Highly problematic" substances (SVHC) present at a concentration > 0.1% weight;
- Substances subject to authorization listed in Annex XIV;

Locatelli Alcool

- substances subject to restriction on use or placing on the market included in Annex XVII of REACH, comply with the indicated restrictions on use.

CLP (Classification, Labelling and Packaging of Chemicals)

CHIMICA CBR manufactures and packages its products in accordance with Regulation 1272/2008 of December 16, 2008, referred to as the CLP (Classification, Labeling, Packaging) Regulation, which establishes the harmonized classification, labeling and packaging of substances and mixtures.

Persistent organic pollutants (POPs) and substances for biocidal use.

No POP substances identified in Regulation 2019/1021 and substances for biocidal use as per Regulation 528/2012 are contained in the product formulations provided.

CMR substances (carcinogenic, mutagenic and reprotoxic) The mixtures provided do not contain CMR substances, classified in Regulation 1272/2008, and identified in Directive 2004/37/EC on carcinogens and mutagens, as amended by EU Directive/2022/431, which extends to reprotoxics.

Cordiali saluti

Chimica CBR s.p.a.
