ERGONOMIC COCKPIT COVERING ALL DRIVER NEEDS

A driving experience to remember. Atak will make you feel exceptional with its modern, ergonomic and flawless lines in the driver section. steering wheel with leather option, functional button layout and futuristic cabin urges you to keep driving. Atak provides a comfortable driving environment with soft shifting and wide air ducts with effective circulation.

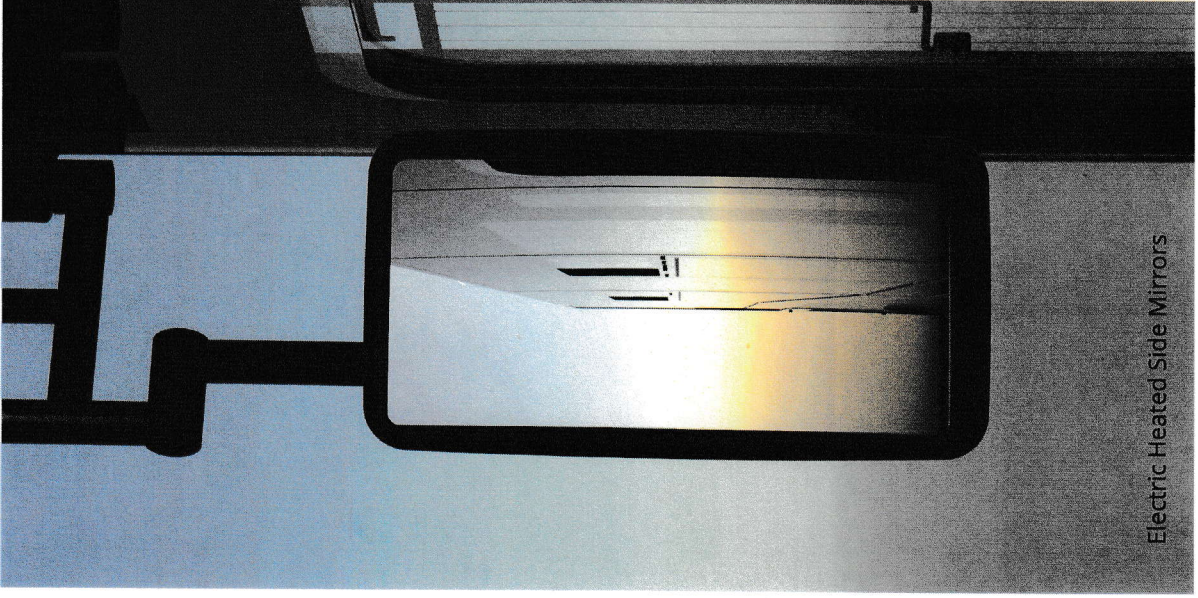

COMFORTABLE DRIVING TRANSFORMING RIDE INTO PLEASURE

In addition to the driver seat bringing a dimension to comfort, Atak increases driving control with its panoramic view and offers a superior ride in all conditions, thanks to ECAS air suspension. Another feature serving comfort is the positioning of engine compartment at the rear, which helps driver and passengers travel in maximum silence.

A FLUENT RIDE IS EFFORTLESS WITH ATAK
